Why the Dashboard needed to be redesigned?

I conducted Interviews with **Chris Barth, Patrick Hicks, Ed Martinez** as well as the rest of the POPs team and summarized 3 important aspects of the Dashboard that could be improved....

Relevance

Digestibility

Efficiency

Why the Dashboard needed to be redesigned?

Common consensus from the interviews:

Relevance

- Vast majority of tiles weren't being used
- My Courses and LinkedIn learning are commonly accessed

Digestibility

- Lack of descriptions
- Courses don't go away once they have been completed

Efficiency

- Redundant tiles/sections
- Too many tiles
